There was no preaching at the Universalist church last Sabbath. Rev. Miss Angell being called to attend to the funeral of Geo. W. Plummer.

The big shower last week caused the earth to cave in some places in the water pipe ditches. Some lively repairs followed.

Charles G. Knight of North Waterford, is selling considerable lumber and building materials in this vicinity. He has more orders than he can fill.

Dr. C. L. Pike went to Brunswick last week to attend a clinic. He reports a great change in the place since he last heard lectures in the medical school.

Avery and Spaulding's boat is about ready for launching. It is modeled after the Maine peninsula boats and is the only one of the kind we have ever seen.

We learn that several trunks were performed at the recent circus were rather expensive to the buyers. It is better if one has his trunk to get them broken up before going to a circus.

Geo. C. Norworth is soon to move into his home on Beal and Marston Streets. It has been nicely fitted up. The curtain hanging, etc., has been done by Noyes' Drug Store establishment and everything is in apple pie order.

"Johnny" went away to Bangor to the State meeting Monday morning. He will be gone a week and it is supposed that he will enjoy himself hugely. The company turned out about fifty men.

Peter Frost showed us samples of his early potatoes. They were excellent. He has a fine crop of early potatoes. He has a fine crop of early potatoes.

There is considerable curiosity among certain of our people to learn what kind of a building Prof. C. A. Stephens is erecting at Norway Lake. We advise them to be patient and it will soon be apparent.

Samuel Taylor at the Elm House shows us some fish books very different from the kind that are in this country. These books are made out of year books and are nearly two inches across and were made and used by the South Pacific Islanders. They were brought home by Mr. Taylor as curiosities on one of his voyages to the So. Pacific Sea.

Monday S. S. Smith brought to our office a nice box of strawberries as one could wish to see. They were from the Sharpshooter and as large as a fair sized apple. Thirty-six of them filled a quart, and they are of a fine flavor. They are like many of the large varieties. Mr. S. raises a good many strawberries which he sells here in the local market.

The celebrated Bathing Family at Norway Hall this (Friday) evening. This family is direct from Scotland. The only Scotch family of the name in this country. The program embraces choice Scotch songs, stories and music, and a feature of the evening is the beautiful Highland Fling by two children. Admission 25 cts.; reserved seats 35 cts. for sale at Geo. C. Norworth's Store.

Whitcomb & Sullivan's Dry and Fancy Goods Establishment is the place to go for goods. They select their goods with great care and from experience know about what people want. Here you will find good honest goods at good honest prices. They lay you out to suit and examine their stock and judge for yourself of the merit of their goods.

The Criticism Dramatic Company played "The Two Orphans" Friday evening and "The Pearl of Savoy" Saturday night at Norway Hall. They had thirty good houses and those who were not pleased with the playing, "Little Lulu" and the artist, appeared in several songs which were heartily applauded. This is the same company that played here last summer.

The cottage of Judge Whitman and others at Five Point on the shore of the lake has been completed and is ready for occupancy when the falling season opens. We apprehend that the number they take this season that we may know at its close who is entitled to the lake.

J. H. Danforth, of the Holmgren Lumber Co. of North Stratford, N. H., sends ten dollars to the Centennial Committee on finance. He also offers to send this year enough they can draw on him for ten dollars more. Mr. Danforth is a Norway and lives long and prosper is the wish of the ADVERTISER.

CASCO.

Fred Brooks has traded his famous double barreled shot gun with Ed. Barton for a buckshot and will now ride if he can get a horse.

Mr. Walker is having very hard luck with his chickens this year. The mother hen and several chicks were taken last week, and this week fifteen more in one night. The robbers are supposed to be a skunk that broke out five bullets through the hen before she was killed, and taken, and which he supposed was dead.

Two large cannon arrived on Saturday for the celebration next Saturday.

Frank Barto is just going for the crows, he having shot four the past week.

Levi Nathan, a German pack peddler, stopped with your correspondent over the Sabbath.

Mr. Geo. R. Winslow has an English dog that for growth is hard to beat. It is about 2 years old and measures in length of nine 131 feet.

I see by the Ledger that the Mechanic Falls people are raising a good deal of money for the poor. We think it would be a good plan to confine Sunday fishermen who go out of town and disturb quiet church going people.

The church here is supplied this summer by Rev. Mr. Virgin of Poland.

SOUTH WATERFORD.

Mrs. E. C. Billings and children of N. Y. are visiting at her father's, Mr. Stanwood.

Mrs. J. M. Thompson of New Gloucester, No. A. is here for a few days.

Mrs. S. Moran and Miss S. O. Green who spent their winters at the "Laurel House," returned to their homes.

Waterford the first of the month for the summer. Miss Green was called back to her home in New Gloucester.

Mr. Geo. R. Winslow has an English dog that for growth is hard to beat. It is about 2 years old and measures in length of nine 131 feet.
